Subject: RE: Draft Deschutes Timeline

Thanks! And sorry again about the confusion on Monday – that was 100% my fault. I've already received quite a few questions from OGC and DOJ on the schedule, below. No need to answer now, I just wanted to give you a heads-up on a few of the questions I'm hoping to address on Monday:

From DOJ: **Ex. 5 Attorney Client (AC)**

Sounds good! You can ignore my previous email about whether or not you still had the call. Hope you had a good Thanksgiving!

I ended up talking to Dave and Cara. The plan is for me to send the draft to Jim (OGC) and Sonya (DOJ). If you have time and want to chat this week give me a call; otherwise we can catch up when you're back. **Ex. 6 Personal Privacy (PP)** Happy Thanksgiving if we don't talk!

I am so sorry – I was on the phone with Cara and completely botched the calendar invite. I meant to shorten it to 30 minutes, not reschedule for next week. Are you all still available at 4:30 today? Miranda, I know you're out so if we don't meet today it's not the end of the world, but it would be good to touch base. Sorry!

Subject: Draft Deschutes Timeline

Hi Leah and Dave,

I received the draft Technical Approach from TetraTech, and the draft timeline. Their timeline was more of a guiding schedule based on how fast they could produce something after EPA comments and/or receiving needed information from Ecology. I'm attaching the schedule, with my attempt to add in due dates for things based on an assumed EPA review schedule (my edits are in track changes).

I'll provide this feedback to TetraTech along with my comments on their Technical Approach, so this timeline isn't considered final yet until we have a chance to discuss it. But, I wanted you to see that, by my estimation and the timeframes TetraTech has given,

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

We can talk more next week.

Thanks,
